### RYDA Bathurst

We draw your attention to the following information, which we understand should be included in the excursion permission note.

- In one session there will be a graphic video showing car accidents.
- In another session on stopping distances the students will be given the opportunity to be a passenger in a vehicle driven by a licensed driving instructor. Students that have a medical condition or injury that may be aggravated by sudden stopping of a car will not be permitted to participate in the practical demonstration.

As outlined in our previous correspondence, other details for your information include:

- Students need to arrive at the venue by 9.30am. The program will conclude at 2.00pm.
- School uniform is preferred.
- The cost of the program is \$10 per student plus transport (arranged by the school).
- Students are asked to bring their own morning tea and lunch as there is no food available for purchase on site. Lunch is provided for teachers only.
